Thomas,

You need to email Tata now and let her know that you'll be staying at her place while she's away. You cannot stay here. You have continued to disrespect me over the last three years and I've had enough. I want you to leave. Tonight.

Take whatever you can pack in your car and leave this home. I will go to a jeweler tomorrow morning and try to sell the rings so I can get you the money to find an apartment. There is no need to wait until February 1 to see if this is going to work, because it isn't. You only care about yourself and you manipulate everyone who is kind to you.
